INDEX TO VOL. XLIII.

A.

Amenity a Requisite to Success in the Gas Business, by E. Lindsley 59
Annual Banquets, in the Matter of, Western Association 59
*Atkinson's Differential Gas Engine 171
*Albo-Carbon Light 173
Australian Gas Light Company, New Works of the 204
Applications for Membership, American Association 227
Address of President, American Association 227

B.

Boring for Natural Gas at Cleveland, Ohio 122

C.

Candle Power of Arc Lamps, the Actual, by H. C. Adams 2
Casting, a Large Italian 8
Correspondence, Special English 9, 66, 121, 177, 232, 289
Cast Iron Mains Laid with Cement, How to Prevent Breaks in Same during Winter Seasons 35
Cooper's Coal Liming Process, by G. S. P 38
"Crinoline" Chimneys of the Cambria Iron Company 39
Cooper Coal Liming Process, by G. Shepard Page 63
Condensation; on the Elimination of Tar from Coal Gas, by A. B. Slater 65
"Chamberlain Gas," Results of a Trial with, by Frederic Egner 98
Coal Slag as a Building Material 120
Charges Made against the Columbus (Ohio) Gas Light Company, Mr. Emerson McMillin in Reply to the 174
*Combustion, the Effects of Heating Air upon 201
Committee on Invitation, American Association 227
Committee on President's Address, American Association 230
Coal vs. Coke in the Jarvis Furnace 231
Committee on Nominations, American Association 255
Committee on Place of Meeting, 1886, American Association 255
Cooper's Coal Liming Process, by R. P. Spice 287
Coals, Safe Sea-Carriage of 317

CORRESPONDENCE—

Allen-Harris Process, Mr. Allen Advertises the 293
Anæsthetic, Is It a Harmless? 320
Mr. Thurber, Does He Own Stock in a Burner Company? 320
Sidewalk Stopcocks 153

D.

Dinner and Adieus, Central New York Association 38
*Difficulties Encountered in the Construction of a Gasholder Tank, by E. McMillin 256

E.

Election of Officers, Central New York Association 8
Electing Mr. Harbison to Honorary Membership in Central New York Association 8
Examining the United States Patent Office Records, by F. Egner 147
Evaporation Tests, Comparative 178
Experiment in Gas Making, and the Results Thereof, by F. Egner 206
English Gas Engineer, Welcoming a Distinguished 227
Election of New Members, American Association 227
Executive Committee, Report of, American Association 226
Election of Officers, American Association 286
Exhibition of Gas Appliances, Proposing an 286
